ANNUAL PENALTY SHOOT OUT

Player Name:

GOOD LUCK!

Fundraising is an essential part of our club, we continually strive to provide our teams with great pitches and the best equipment we can. Our ongoing project with the club building means that in time we will also be able to provide toilets, changing facilities and shelter in the bad weather.

Our penalty shoot out competition is on Saturday 14th October. It is not only a great fundraiser, but also great fun for all children taking part with the winner from each age group receiving a trophy.

The concept is simple - our players will take 1,000 penalties and you guess how many they will score!

It is £1 per guess, and the nearest entry will receive £250 from the club. If there are multiple correct entries the £250 will be split equally amongst the winners.
